CODEx PERCHÉ

Respect:

Be kind to everyone at all times, and respect each person's experience.

Consent:

"No" is no, said with words or body language – learn to listen and to understand.

Acceptance of rejection:

Leave you ego aside, accept rejection with empathy instead of committing something harmful.

No judgment:

Don't judge others or yourself; this is a judgment-free space.

Free expression:

Let it go, experiment, and express yourself as if no one is watching.

Kind words:

May your words and your thoughts be harmless to make this moment precious.

Natural nudity:

Nakedness is ok , a body is a body, but this is not systematically sexual

Respect the limits:

If something bothers you, you can leave; if you linger, watch out for the Benevolent Brigade.

Celebrating differences:

If I'm different from you, we have much to learn from each other

Enriching diversity:

Let's cultivate difference and letting go rather than uniformity.

Mutual aid:

Use your strengths to help those for whom these are weaknesses. It is rewarding and will be reciprocated.

A LOVER'S DISCOURSE

"La fête, c'est ce qui s'attend" R. Barthes

We're as delighted as we are proud to bring together delicious artists, highly savoury festival-goers and honoured by the trust you place in us to create this long-awaited moment.

Meet me halfway – We do everything we can to offer you the best festival possible, but we can only do half the work: the other half comes from YOU. You, with your sparkling finery, your kindness, your joy, your wonder, your sensitivity to the issues of waste & non-waste of water, your non-judgmental dance steps, your lovingly prepared totems, your respect for the consent and emotional integrity of the co-Perché, and your respect for the venue, the material & the decorations.

Château Perché must be a healthy and constructive atonement, not a destructive one. Château Perché exists to help light beings grow.

Have fun like children in adult bodies. Leave your problems behind. Be in the moment and in love. Put that love in your suitcases, take it home, keep it as long as possible and offer it to the world.

MERCH

☀️ **Perched Screen Printing & 10th Anniversary Merch** 🎂

This year, Château Perché is celebrating 10 years of love, light, and cosmic trance. To mark this decade of vibrant energy, we've created exclusive merchandise especially for the 2025 edition.

But we're not just offering you any old mass-produced t-shirt: this year, you get to personalize it yourself, live and fresh-inked, right at the festival.

👉 **Head over to the Burn the Void stand specialists** in customizing second-hand clothing—where the magic of artisanal screen printing happens live throughout the festival. Bring your own t-shirt, or fall for an official merch item, and have it printed with the exclusive 10th anniversary design... or another unique visual cooked up just for this edition.

Every print is handmade, on site, right before your eyes. Every piece is one-of-a-kind. Every item becomes a living memory of the festival.

Prices:

Small print: €10

Large print: €15
